# *A new era of affordable hospitality has arrived at Spennymoor Town.*

The Brewery Field now boasts a range of modern and multi-purpose venues which are able to accommodate a range of different events, as well as provide an unforgettable match day experience.

The Neil Adams Sports Bar, opened in 2019, and The County Durham Lounge, new for 2021, both have the space and facilities to hold birthday parties, conferences and corporate events amongst a host of other options.

Both fan zones located inside the ground provide a more informal alternative, with bierkeller tables and a rustic bar offering the perfect casual space with a view of the stunning Brewery Field pitch.
