Distribution of physical tickets will take place in w/c 11th and w/c 18th July either via post or collection.

ACCESS THIS SEASON

Fraudulent entry

The club is aware of supporters over the last 12 months who have used their season ticket to gain entry to The Brewery Field and then passed the ticket over the wall of the ground for another supporter to use, which has correctly flagged as an error on the system but those employing the tactic were incorrectly allowed entry.

This practice has now been highlighted and turnstile staff will be trained to look out for it. In order to prevent this, any season card which our ticketing system flags as an error within the turnstile will not be allowed entry.

The holder will be asked to provide ID proving that their identity matches the card and will not be granted access without verifiable ID.

Forgotten or lost season tickets

It is the responsibility of supporters to ensure that they have their season ticket with them. If they do not have their season ticket with them or have lost their season ticket, they will not be granted entry to The Brewery Field. No exceptions will be made this season.

Replacement season tickets can be ordered via the club **for a fee of £5.00** for print and postage. Entry will not be granted until such time as the season ticket is held, or identity can be verified and cross-referenced with the season ticket database.

Access to hospitality areas

The hospitality areas within The Brewery Field (County Durham Lounge / Executive Lounge) will be stewarded more strictly this season.

Supporters without a County Durham Lounge pass or who are not on the guest list will not be granted access either before or after the match. Hospitality bookings will be contacted before the matchday to complete payment and submit their guestlist. It is important this task is prioritised and information is submitted correctly to avoid disappointment.
