

SPENNYMOOR TOWN FOOTBALL CLUB

ROLE DETAILS

TITLE	FIRST TEAM ANALYST	DEPARTMENT	FOOTBALL
POSITION	INTERNSHIP	REPORT TO	FOOTBALL MANAGEMENT

JOB SUMMARY

To provide video and data analysis, live game data and analysis for the football management on our first teams matchday performance. Providing video and data evidence to support performance levels and produce reports, clips and facts that align with the ethos and methodology of the club.

KEY RESPONSIBILITIES

- Continually work to evolve and develop the framework created to meet the requirements for the players.
- Analyse game day and training (video and live) to supply consistent and relevant information that will enhance and support team data and analysis.
- Provide high class reports, clips and facts that are delivered on time to enhance the planning, delivery and reviewing of first team matches and training.
- To independently source and review video clips and feeds of the first team to collaborate with the football management.
- Provide impactful feedback and appropriate evidence to support the goals of the football management
- Communicate and engage with internal and external personnel with professional integrity. .
- Actively engage in a personal development plan and integrated appraisal process.
- Promote equality and diversity as part of the culture of the organisation.

CONFIDENTIALITY

- To ensure that confidential information about the group and its supporters, customers, players and staff is not disclosed to anyone except other members of staff and then only if such disclosure is in the proper course of your duties. In addition, ensure it is neither used nor appears to be used for personal advantage or for the advantage of a third party.
- To ensure that if you are required to take working papers or other documents of a confidential nature off Group premises, you ensure that proper and adequate arrangements are made for their security.
