

Spennymoor Town Football Club

COMMERCIAL OPPORTUNITIES

2025/26

Welcome to Spennymoor Town

Quite simply, there has never been a better time to become involved with Spennymoor Town Football Club.

We have continued to make progress on and off the pitch over the last 12 months and in 2024/25 we finished within touching distance of a play-off spot and rounded off the season with a memorable trip to Wembley in the FA Trophy Final.

I felt so much pride seeing Spennymoor Town competing for non-league's most coveted trophy at the National Stadium and the memories made for the thousands of fans there to witness it will live forever.

The Club is thankful to the many local businesses and organisations that supported us throughout the campaign and on our historic Road to Wembley and we look forward to thriving relationships with them into 2025/26.

We remain hugely ambitious to get this Club to the next level and believe that we have now built a strong platform to continue competing at the top end of National League North.

Whilst enhancements on the football side are clear to see, we've also taken huge strides to improve our unrivalled matchday experience and we're proud to boast a reputation as one of the friendliest clubs in the country.

We're always looking for new partners and we'd love your business to come and be part of our family at The Brewery Field in 2025/26.

Brad Groves, Chairman

The Spennymoor Town Brand

The Club's hugely popular social media channels have continued to grow in prominence and our connection with supporters is now even more powerful than ever.

We now boast 50,000 followers across our digital platforms and our engagement rates continue to reach levels seen by clubs much higher in the football pyramid.

The Club also has a professional and regularly updated Official Website which acts as our online home to provide all the latest news, match reports and reaction and information to supporters globally.
